

# Health and social care VIRTUAL careers event

Did you get the GCSE results you expected?  
Are you unsure of your next steps?

Come along to one of our online events to find out more about the wide range of exciting job and training opportunities in health and care and explore if this is the career path for you. As well as being able to collect information on local health, social care and voluntary organisations in Blackburn with Darwen and ask them questions, you will also be able to listen to other young people currently working in health or social care talk about their experiences.

We have two ONLINE events organised by the NHS, Blackburn with Darwen Council, Blackburn College and the Voluntary Sector. These are open to everyone, including parents and carers, but particularly if you are undecided on your future career path.

Dates:

- 30 August 2023 2pm – 4pm
- 6 September 2023 2pm – 4pm

Please register your attendance by scanning the QR code
